

## **Independent auditor's report to the Members of London Pensions Fund Authority**

I have audited the pension fund accounts for the year ended 31 March 2009. The pension fund accounts comprise the Fund Account, the Net Assets Statement and the related notes. The pension fund accounts have been prepared under the accounting policies set out in the Statement of Accounting Policies.

This report is made solely to the members of London Pensions Fund Authority in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 49 of the Statement of Responsibilities of Auditors and of Audited Bodies prepared by the Audit Commission.

### **Respective responsibilities of the Director of Finance and Auditor**

The Director of Finance is responsible for preparing the pension fund accounts, in accordance with relevant legal and regulatory requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2008. In preparing this pension fund accounts, the Responsible Financial Officer is responsible for:

- selecting suitable accounting policies and then applying them consistently;
- making judgments and estimates that were reasonable and prudent;
- keeping proper accounting records which were up to date;
- taking reasonable steps for the prevention and detection of fraud and other irregularities.

My responsibility is to audit the pension fund accounts and related notes in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

I report to you my opinion as to whether the pension fund accounts present fairly, in accordance with relevant legal and regulatory requirements and the Code of Practice on Local Authority Accounting in the United Kingdom 2008, the financial transactions of the pension fund during the year and the amount and disposition of the fund's assets and liabilities, other than liabilities to pay pensions and other benefits after the end of the scheme year. I also report to you whether, in my opinion, the information which comprises the commentary on the financial performance included within the Pension Fund Annual Report, is consistent with the pension fund accounts. That information comprises the sections on Performance, Investment and Accounts.

I review whether the governance compliance statement published in the Pension Fund Annual Report reflects compliance with the requirements of Regulation 34(1)(e) of the Local Government Pension Scheme

(Administration) Regulations 2008 and related guidance. I report if it does not meet the requirements specified by the Department of Communities and Local Government or if the statement is misleading or inconsistent with other information I am aware of from my audit of the financial statements. I am not required to consider, nor have I considered, whether the governance statement covers all risks and controls. Neither am I required to form an opinion on the effectiveness of the Authority's corporate governance procedures or its risk and control procedures.

I read other information published with the pension fund accounts and related notes and consider whether it is consistent with the audited pension fund accounts. This other information comprises the remaining elements of the Pension Fund Annual Report. I consider the implications for my report if I become aware of any apparent misstatements or material inconsistencies with the pension fund accounts and related notes. My responsibilities do not extend to any other information.

### **Basis of audit opinion**

I conducted my audit in accordance with the Audit Commission Act 1998, the Code of Audit Practice issued by the Audit Commission and International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the pension fund accounts and related notes. It also includes an assessment of the significant estimates and judgments made by the Authority in the preparation of the pension fund accounts and related notes, and of whether the accounting policies are appropriate to the Authority's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the pension fund accounts and related notes are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the pension fund accounts and related notes.

### **Opinion**

In my opinion:

- the pension fund accounts and related notes present fairly, in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2008, the financial transactions of the Pension Fund during the year ended 31 March 2009, and the amount and disposition of the fund's assets and liabilities as at 31 March 2009, other than liabilities to pay pensions and other benefits after the end of the scheme year; and

- the information given in the commentary on financial performance included within the Pension Fund Annual Report is consistent with the pension fund accounts.
